

The Word of God

Father, I thank you for your Word. I declare that as I meditate it day and night and observe to do all that is written in it, I am making my way prosperous and having great success.

I declare that your word is a lamp to my feet and a light to my path. It orders my steps daily, and I do not stumble. I keep the Word going into my ears, coming out of my mouth and as I do faith continues to increase. Your Word settles every situation, and is the standard for my life and business. It is the final authority in decision making and I will not compromise.

I thank you that as the Word is before me, it speaks to me and causes me to be flooded with light. It is my counsel, my protection, and a shield because it is forever settled in heaven. It abides in me and keeps my feet planted without wavering.

I speak the word, pray the word, and use it to win every battle, for it is a two-edged sword that divides the good from the evil, and discerns the motive and intents of the heart. Thank you Lord for the Word, and I decree that the Word is working mightily in me and through me and never returns void, but accomplishes all that it is sent out to do in Jesus name, Amen.
